

# TOM HUBLER

— AUTHOR/SPEAKER

“Rooted in his upbringing, education and decades of experience, Tom Hubler has crafted his own style in helping business families reach their goals.”

— Jon Keimig, director of the University of St. Thomas Family Business Center

## ABOUT TOM HUBLER

As an experienced senior consultant and trusted advisor, Tom Hubler was one of the few professionals addressing family-owned businesses in the US when he began in 1980 and now has counseled 500+ private family businesses to date and inspired countless family business leaders through his speaking engagements.

Tom is a published author, professional speaker on family business, and owner of Hubler for Business Families. He has a long-standing dedication to helping families of wealth and family-owned businesses succeed. Having seen firsthand the challenges family businesses face, he also shares ways to grow through them (or prevent them) in his book, *The Soul of Family Business*.

## WHAT HE OFFERS HOSTS

- Tom has 35+ years of experience and firsthand perspective in family business and succession planning.
- His background as a therapist puts hope in the center of his work.
- He has lived and breathed family business from the inside out.

## SUGGESTED INTERVIEW QUESTIONS

- What is the importance of legacy in family business?
- What is the value in understanding your family origin
- Creating family unity in family businesses
